

## Hospital staff first to receive Superheroes Gratitude Packs

News Bulletin

A charitable organisation in Bushey, Shrimad Rajchandra Mission Dharampur, has started the 'Support Our Superheroes' Campaign that allows everyone to participate and show their appreciation to front line workers.

It is done by simply writing gratitude cards, sticking up gratitude window signs or helping towards the provision of gratitude packs to different sectors of front line workers each week.

**'We found that receiving a simple handwritten card lifted their spirits, knowing that they were appreciated'**

Ashwin Mehta, trustee of the organisation, said: "Whilst we are safe at home, we wanted to find a way to show our appreciation to these incredible front line staff, who are the real superheroes in this crisis.

"We found that receiving a simple handwritten card lifted their spirits, knowing that they were appreciated."
